Work Experience

Graphic Designer @ Nayad

Jul 2020 – March 2025

- Produced daily and weekly social media graphics, driving a growth in engagement metrics and audience interaction.
- Managed the company site through coding and image optimization, resulting in an increase in new users.
- Standardized product photo retouching throughout all assets to ensure high-quality and uniform imagery on every platform.
- Crafted seasonally-themed patterns for limited-edition water bottles, earning repeated client requests.
- Collaborated on marketing materials, generating a boost in organic search traffic post-event.
- Supported diverse visual identities for sub-brands by developing cohesive visual identities and customizing Shopify themes.

Freelance Graphic Designer @ Frontier Media

Dec 2019 – Aug 2021

- Improved Instagram activity by curating weekly infographic posts adapted into easily readable single or multi-slide formats.

Freelance Web Designer @ Eebs Media

Jan 2017 – Jul 2020

- Delivered high-performing WordPress websites for clients, composing page designs and accelerating data entry processes.

Student Graphic Designer @ CSULA Library

Nov 2018 – Aug 2019

- Strengthened the library's presence on campus by modernizing branding materials and web design.
- Expedited department assignment deadlines with rapid turnaround times and consistently exceeding expectations.
- Enhanced team efficiency by mentoring a back-end developer in front-end coding techniques, streamlining their workflow.
